Our Neighborhood

Laundromat open 7 days a week

Library closed 3 days a week

Schools closed for summer

BIRNEY TECH
ACADEMY

28%

of fourth graders at Birney Technical
read at grade level

>70%

students at both schools

MAGEE
ACADEMY OF
ARTS AND
SCIENCES

17%

of fourth graders at Magee Academy
read at grade level

qualify for free or reduced lunch

IMPACT

Students who do not read proficiently by the end
of 3rd grade are

4x

more likely to drop out of high school than a
proficient reader

Wash & Learn - Pico Rivera helps!

THE SUMMER SLIDE

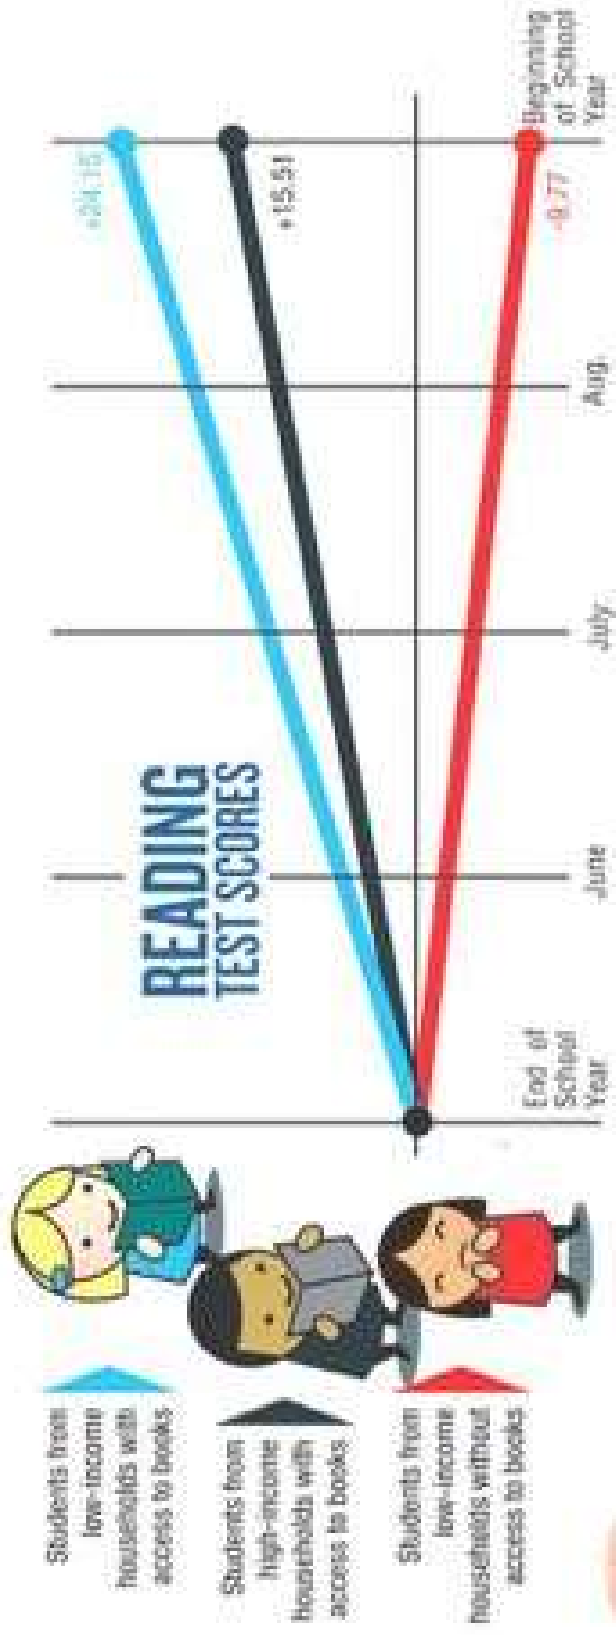

The regression of reading skills students experience during summer break.

Children from low-income households are impacted the most.

Library-based summer reading programs combat the summer slide and improve student outcomes in the fall.

KIDS WHO READ BEAT SUMMER SLIDE

Studies show that access to books during the summer prevents a drastic loss in reading skill – especially for kids in need.

SOURCE: 1. Change in scores between end-of-year and following year: Noting as shown by the California Academic Test. Oliver, S. L., Alexander, K. L., Emswiler, D. B., & Davis, L. S. (2003). Countering summer slide: Does access to books during summer months reduce summer learning loss? *Journal of Education for Students Placed at Risk*, 11(2), 160-1.

Testimonials

Parents

“My daughter loves to read, and because of story time, she now loves washing clothes. She thinks the laundromat is the library.”

Teachers

“I spent less time getting my kids up to speed after summer vacation this school year. I was so excited that they were ready to learn from the start.”

Community

“Families love that the children have a place to read and play. They were bored before, but now the children love coming.”

Year 1 Budget

Project Management Costs			\$
Pre-program set up	\$46.24/hr X 5hrs/wk X 12 wks	60 hrs	\$2,774.40
